Multifunction mirror with electric hand dryer and soap dispenser 600x800 mm h647_60

Multifunction 600x800 mm mirror for public bathrooms with electric hand dryer and touch-free soap dispenser in laminate and glass.

This **integrated system for public bathrooms** is a 2-in-1 space-saving solution that combines a minimalist design mirror, a high-speed electric hand dryer, and a touch-free soap dispenser into a single wall-mounted element. Developed to optimize hand washing and drying stations in high-traffic environments, the storage cabinet with a laminated chipboard frame and glass front completely conceals the dispensers inside. This system solves operational criticalities related to wall clutter, bulk accumulation, and cross-contamination risks, ensuring a hygienic, tidy, and modern user experience.
