Multifunction mirror with soap dispenser and paper towel dispenser 600x800 mm h647_59

Multifunction mirror 600x800 mm for public bathrooms with no-touch soap dispenser and paper towel dispenser in laminate and glass.

This **integrated system for public bathrooms** is a 2-in-1 space-saving solution that combines an essential design mirror, an automatic no-touch soap dispenser, and a Z/W-fold paper towel dispenser into a single wall-mounted element. Designed to optimize hand washing stations in high-traffic environments such as offices, shopping centers, airports, stations, and public facilities, the structure with a laminated chipboard cabinet and glass front completely conceals the dispensers. This system solves the operational problem of wall clutter, frequent consumables management, and hygiene risks arising from surface contact, ensuring a clean and efficient organization of the bathroom environment.

Technical features

- **Type:** Integrated system / Washing unit / Multifunction mirror with integrated dispensers
- **General dimensions:** Height 800 mm x Width 600 mm x Depth 239 mm (H: 800 mm x W: 600 mm x D: 239 mm)
- **Materials:** Laminated chipboard body and glass front
- **Standard color:** White laminate
- **Net weight:** 28 kg
- **Integrated soap dispenser:** Touch-free and hygienic operation, tank capacity 850 ml (equivalent to 800 - 975 doses)
- **Paper towel dispenser:** Capacity up to 500 pieces of Z or W-fold paper towels
- **User interface:** Integrated LED indicators on the mirror surface for intuitive use
- **Opening and structure:** Wall-mounted cabinet with forward-tilting front opening for easy maintenance and quick restocking
- **Internal storage:** Upper shelf inside the cabinet for convenient storage of extra soap refills and towels
- **Electrical connection:** 220 - 240 VAC, 50/60 Hz, power 15 W
- **Installation:** Wall fixing via French cleat type strip/bracket
