Multifunction mirror with soap dispenser and paper towels 670x800 mm h647_57

Multifunction mirror 670x800 mm for public restrooms with integrated touch-free soap dispenser and paper towel dispenser.

This **integrated system for public restrooms** is a 2-in-1 space-saving solution that combines an elegantly designed mirror, a touch-free soap dispenser, and a paper towel dispenser into a single wall-mounted element. Designed specifically for hand washing stations in high-traffic contexts, the unit hides the dispensers behind the mirror front, solving the operational problem of visible accessory buildup, clutter in the sink area, and frequent maintenance interventions. Made with a cabinet in durable front-opening laminated chipboard, the system ensures maximum hygiene, impeccable organization of the environment, and an intuitive user experience.

Technical features

- **Type:** Integrated system / Washing unit / Multifunction mirror with integrated dispensers
- **Overall dimensions:** Height 800 mm x Width 670 mm x Depth 239 mm
- **Materials:** Laminated chipboard cabinet and glass front
