

10-seat coat rack for school h172_188

Wooden coat rack board 10 seats with shelf and rounded rubber edging, for schools and collective environments.

Coat rack board **specific for school and collective environments**, designed to efficiently organize students' jackets and garments. The entirely **wooden** structure guarantees robustness and durability over time, making it suitable for the intensive use typical of schools.

Equipped with **10 hooks** and a **top shelf** that allows for storing additional items, it offers a complete solution for garment management. The edges are covered in **rounded rubber**, a fundamental feature for **safety** in contexts with children, eliminating sharp corners and preventing accidental injuries.

The fixing is **prepared for wall mounting**, ensuring stability and use of the available vertical space.

Technical features

- **Dimensions:** 100 cm W × 20 cm D × 25 cm H
- **Material:** wood
- **Number of seats:** 10 hooks
- **Shelf:** present at the top
- **Fixing:** wall-mounted
