Tool case h931_11

Tool case with 3 metal rear hinges and 2 key locks. Dimensions: W. 46.5 x D. 21.5 x H. 35.2 cm.

The **tool case** made of high-thickness **polypropylene** is ideal for carrying documents, tools and accessories. High resistance to **corrosive substances**, impacts and high and low temperatures. Furthermore, the ability to maintain a **constant thickness** of the material, especially in the corners, further contributes to its robustness and durability. The product is equipped with an **ergonomic rubber-coated handle**, **nameplate** and document holder area.

Technical features:

- Dimensions: W. 46.5 x D. 21.5 x H. 35.2 cm
- 2 metal lid support arms
- 2 key locks
- 3 metal rear hinges
- Bottom with removable and adjustable dividers
