

12-place kindergarten coat rack wardrobe h681_19

Wooden coat rack wardrobe for nursery schools and kindergartens. 6 compartments with 12 hangers, stable and safe structure. Dimensions 104x41x148 cm.

Coat rack wardrobe designed specifically for educational environments such as nursery schools, playrooms, and kindergartens. The completely **wooden** structure offers robustness and durability, while the design meeting safety regulatory requirements makes it suitable for pediatric contexts. The differentiating element consists of the **stable base with 4 adjustable feet**, equipped with noise-reducing ABS tips, which guarantees secure positioning and floor protection.
