

2-door cabinet with open compartment h172_249

Professional cabinet in beech melamine (18 mm), 100x45 cm. Equipped with 2 doors with lock, central open compartment and rounded accident-prevention edges.

The **2-door cabinet with open compartment** represents a versatile solution for organization and storage in professional, educational and administrative contexts. Designed to meet requirements for **durability and safety**, the furniture is constructed with **18 mm thick beech melamine** panels, guaranteeing a solid structure capable of supporting heavy loads without bending.

The technical configuration alternates protected storage spaces and open access areas. The doors are equipped with **safety locks** and ergonomic handles, making the module ideal for storing sensitive documents or confidential materials. The central open compartment facilitates daily operations, allowing quick retrieval of frequently used objects. The base is finished with **beech wood feet**, which isolate the frame from floor humidity and ensure perfect flatness.

Technical features

- **Structure material:** 18 mm thick beech melamine.
- **Dimensions:** 100 x 45 cm.
- **Safety equipment:** doors with integrated locks and rounded perimeter edges.
- **Accessibility:** central open compartment for quick consultation.
- **Components:** ergonomic handles and beech wood support feet.
- **Finish:** natural beech effect with high resistance to wear.
