

2-drawer filing cabinet for offices h796_08

Office filing cabinet with 2 drawers of height 48 cm. Total dimensions: W.64 x D.63 x h.105 cm. Material: 8/10 steel sheet.

Office filing cabinet constructed in **first-choice 8/10 sheet metal**, suitable for use within companies, municipal offices, secretariats, banks, post offices. Characterized by high modularity as it is equipped with **2 large drawers h.48 cm**, suitable for housing hanging folders (not included) and longitudinally divisible up to 4 lanes; each drawer is also equipped with a **handle integrated into the structure** and runs on telescopic slides that allow for total extraction. To ensure maximum security of the documentation inside, the structure has been provided with a special **centralized lock with key**; in addition, to prevent the drawers from opening all at the same time and causing accidental falls, the filing cabinet is equipped with an **anti-tip system**.

Technical features:

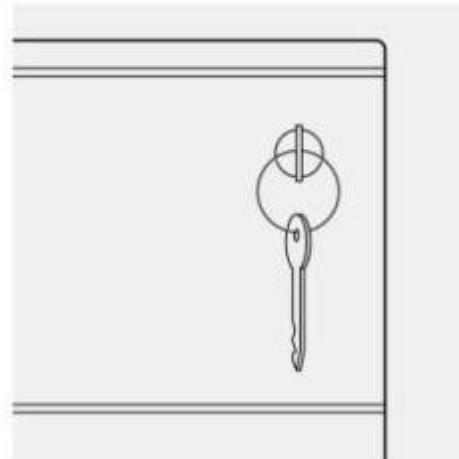

- Dimensions: W.64 x D.63 x h.105 cm
