

2-Panel Tray Trolley h2200162

Universal single-column tray trolley with **stainless steel** structure and refined **melamine wood side panels**. Capacity **10 trays** of different shapes (max 53x39 cm), available in Oak, Tobacco Oak or White finishes. The perfect balance between welcoming design and technical versatility.

The **universal tray trolley with wood panels** is the ideal solution for catering facilities wishing to combine maximum operational flexibility with a refined design. The distinctive feature of this model is the capacity to accommodate **10 trays of different shapes and sizes** (up to 53x39 cm) thanks to special chrome-plated steel wire guides, all framed by elegant melamine wood side panels that screen the view of the dishes.

The robust **stainless steel square tube structure** guarantees impeccable stability, while the possibility of choosing between three finishes (**Oak, Tobacco Oak or White**) allows the trolley to be coordinated with the dining room decor. Extremely easy to handle thanks to the 12.5 cm swivelling wheels and protected by non-marking rubber corner bumpers, this trolley is an indispensable ally for clearing services in contexts where aesthetics play a fundamental role.
