

## 2-seater office sofa h776\_85

Professional two-seater sofa in eco-leather and plywood, 118x66 cm. Compact design and high-density padding for intensive waiting areas.

The **H776\_85 two-seater sofa** is a professional furnishing solution designed to combine ergonomics and intelligent space management in contract contexts. Characterized by a rigorous design and compact volumes, this piece is ideal for setting up **reception areas, professional studios, and waiting zones** where material durability is a fundamental requirement.

The internal design focuses on maximum mechanical stability: the frame is made of **plywood** integrated with elastic straps, ensuring controlled flexibility that prevents structural deformation. The padding in **polyurethane resins from foamed blocks** with a density of 30 kg/m<sup>3</sup> ensures a load-bearing and resilient seat, maintaining comfort even in high-traffic environments.

## Technical features

- **External dimensions:** W 118 x D 66 x H 74 cm
- **Seat height:** 41 cm
- **Armrest height:** 33 cm
- **Internal frame:** plywood with elastic strap system
- **Padding:** high-resilience foamed polyurethane resins (density 30 Kg/m<sup>3</sup>)
