

2-seater waiting bench with small table h933_07

2-seater office waiting room bench with small table. Dimensions: W. 150 x D. 53 x h. 81 cm. Made of plastic material and steel.

This **waiting room bench for offices or practices** is a modern and functional solution that offers **two seats** side by side with a practical **small table**. The **small table**, made of **phenolic panel with graphite finish and black edge**, measures **40 x 40 cm** and is **10 mm thick**, ensuring resistance and style. The **seats** are in **polypropylene**, produced with injection molding and reinforced with 15% fibers, with a **thickness of 6 mm** for greater strength and comfort. The structure of the bench is supported by a solid **base with inverted T-legs** in **RAL 9005 black painted steel**, which provide stability and a contemporary look. The **central bar** has dimensions of **80 x 40 mm** and a **thickness of 5 mm**, while the **T-legs**, **500 x 100 mm**, have a **thickness of 10 mm**, offering a solid and durable structure.
