

2-seater waiting room bench with side table h933_08

2-seater waiting room bench. Equipped with a side table. Dimensions: W. 150 x D. 70 x h. 77 cm. Polypropylene seats and backrests. Painted steel base.

The **2-seater waiting room bench with integrated side table** is an ideal furniture piece for offices and studios, designed to ensure comfort and functionality in a modern design. The **two seats**, made of **injection-molded polypropylene with 15% fiber**, are fully **recyclable** and feature a **non-slip structured surface**, with a robust internal lattice structure. The **color of the chairs** is an elegant **RAL 5014 blue**, which adds a touch of understated sophistication to the environment. The **side table**, positioned between the seats, is made of **graphite phenolic panel with a black edge**, measures **40 x 40 cm** and has a **thickness of 10 mm**, offering a practical support surface. The **supporting structure of the bench** is robust, with a **central steel bar with a section of 80 x 40 mm and thickness of 3 mm**, painted in **RAL 9005 black** with epoxy paint, while the **V-shaped legs** are made of **steel tubing** for greater stability and resistance. This furniture combines durable and recyclable materials with an ergonomic and understated design, making it perfect for professional contexts.
