

## 2-unit luggage rack with mahogany finish h76\_114

Folding solid wood luggage rack with backstand and reinforced straps. Dimensions: W 60 x D 45 x H 58 cm.

The **luggage rack with mahogany finish h76\_114** is a high-profile choice for hotels, B&Bs, and hospitality facilities aiming for elegance, functionality, and durability over time. Made of **solid rubberwood**, this model combines a warm and refined aesthetic with a solid structure designed for intensive use in professional environments. The sturdy legs and **5 extra-resistant black canvas straps** ensure secure support for suitcases of all sizes, while the **integrated backstand** effectively protects walls from accidental bumps and scratches. Thanks to its **foldable** nature, the support can be easily closed and stored, reducing bulk in the rooms and offering an ideal space-saving solution to guarantee an organized and comfortable experience for your guests.
