

20-place coat rack for nursery school h172_194

Freestanding children's coat rack in steel and sheet metal, 20 colored PVC hangers, backpack shelf, 200x30x150 cm.

Modular coat rack specifically designed for school environments and playrooms, designed to facilitate children's autonomy in managing their clothes and accessories. The structure combines **steel profile and press-bent sheet metal**, ensuring stability and durability in the context of intense use typical of spaces dedicated to childhood.

The product solves the need for organization at a reduced height, with hangers positioned within reach of small users, facilitating their independent access without the need for direct supervision.
