

3-seater waiting room bench h449_188

3-seater waiting room bench in steel and PPL, fixed seats for intensive use. Dimensions: W 153 x D 55 x H 82 cm.

The **H449_188 3-seater waiting bench** is the ideal solution for furnishing **waiting rooms, receptions, clinics, doctors' offices, public and private offices** in a functional and orderly way. Designed for daily use up to 8 hours, it features a **robust steel structure** and seats in **polypropylene (PPL)**, a hygienic, resistant, and easy-to-clean material.

The three seats are **fixed**, as are the backrests, with an ergonomic design intended to ensure basic comfort and correct posture during waiting times. Each seat can support a **maximum load of 130 kg**, making the bench suitable for all body types.

Thanks to its metal structure and compact design, this bench is **particularly suitable for high-traffic environments**. The **low weight (30 kg)** facilitates transport and arrangement in various configurations.

Furnish your waiting area efficiently with the **H449_188 professional 3-seater bench**. Order now or request a personalized quote for large supplies.

No, both the seats and backrests are fixed.
- 3. Is it suitable for intensive use?**
Yes, it is suitable for standard use up to 8 hours per day.
- 4. What materials are used?**
Steel for the structure, polypropylene (PPL) for the seats and backrests.
- 5. Is it suitable for healthcare environments?**
Yes, thanks to the ease of cleaning and hygienic materials.

Mini buying guide:

When choosing a bench for professional waiting rooms, consider **structural resistance**, the **load capacity per seat**, **hygienic materials** and **ease of maintenance**.

Seats in **PPL** are ideal for healthcare and public environments due to easy cleaning.

The steel structure ensures **stability and durability**, while a compact design optimizes space.

The H449_188 model combines all these features in a functional 3-seater solution.

3-seater waiting room bench, professional reception seating, steel bench for clinics, PPL waiting bench, fixed seating for public offices, bench for doctors' offices.
