

## 3-seater waiting room bench with small table h933\_10

Waiting room bench for offices and studios. 3 seats + small table. Dimensions: W. 200 x D. 61 x h. 85 cm.

This **three-seater waiting room bench**, ideal for offices, is carefully designed to combine functionality and modern design. Equipped with an elegant **square phenolic panel small table in graphite color, with a black edge**, measuring **40 x 40 cm** and with a thickness of **10 mm**, which provides a convenient space for placing objects. The **backrests** are made of **injection-molded polypropylene plastic**, reinforced with 10% fiber, ensuring strength and lightness. This material, **completely recyclable** and UV-treated, integrates a **high-resistance technical mesh** composed of **70% PVC** and **30% polyester**, with a thickness of 1.15 mm, which ensures breathability and comfort. The **seats**, also in **reinforced and recyclable polypropylene** with UV-resistant treatment, offer durability and resistance over time. The structure of the bench is supported by a **100 x 50 mm central bar**, with a **thickness of 3 mm**, painted in **RAL 9005 epoxy black**, providing solidity and stability. The **legs** are made of **chrome-plated steel rod** with a diameter of 11 mm, giving a touch of elegance and sophistication. Finally, the **non-slip nylon feet** guarantee safety and protection for all types of flooring, completing a resistant and practical piece of furniture, perfect for professional environments.
