3-section hospital bed with 2 cranks H13_332

Manual 3-section hospital bed with 2 cranks, foldable aluminum side rails, PP platform, Ø127 mm wheels, stainless steel IV pole, fixed height 50 cm, 200 kg capacity.

The **H13_332 hospital bed** is a manual solution designed for healthcare assistance in hospitals, nursing homes, care facilities, and rehabilitation centers. It ensures safety, comfort, and ease of use through a robust steel structure with epoxy coating and components made of sanitizable materials. Manual adjustment via 2 cranks allows for independent movement of the backrest and leg section, enabling personalized therapeutic configurations without the need for electrical power.

The **polypropylene (PP) mattress platform** measures 1925 × 900 mm and is divided into 4 sections, equipped with an integrated fixing system with a 33 mm axis to ensure patient stability during use. The PP headboards and footboards are equipped with Ø 65 mm bumper wheels, designed to absorb shocks in case of accidental collisions. The **aluminum alloy side rails**, consisting of 6 bars, are foldable and equipped with a safety locking system, ensuring protection during care operations.

The bed is mounted on 4 swivel castors Ø 127 mm that ensure smooth movement in corridors and patient rooms. A **stainless steel IV pole** with a capacity of up to 15 kg is included, easily adjustable according to clinical needs. The fixed height of 50 cm facilitates daily assistance operations, ensuring easy access to the patient.

Technical features

- **Structure:** Epoxy-coated steel
- **Movement:** 2 cranks (backrest and leg adjustment)
- **Sections and joints:** 3 sections with 4 parts
- **Mattress platform:** Polypropylene (PP), 1925 × 900 mm
- **Mattress fixing:** Integrated with 33 mm axis (back and legs)
- **Headboard and footboard:** In PP with Ø 65 mm bumper wheels
- **Side rails:** In aluminum, 6 bars, foldable with safety lock
- **Wheels:** 4 swivel castors Ø 127 mm, lockable
- **IV pole:** In stainless steel, 15 kg capacity
- **Total dimensions:** 2130 × 995 mm
- **Bed height:** 500 mm
- **Maximum capacity:** 200 kg
- **Backrest adjustment:** 0–70° (±5°)
- **Leg adjustment:** 0–38° (±5°)
