

3-shelf food service trolley h314_60

18/10 stainless steel service trolley with 3 shelves measuring 50x50 cm and swivel casters. Hygienic and robust solution for catering and food service.

The **h314_60** service trolley is a professional piece of equipment designed to optimize workflow in HoReCa and community settings. Featuring an extremely solid **square tube structure**, this trolley facilitates the transport of food, dishes, and containers between the kitchen and the dining room, ensuring stability and maneuverability even at full load.

The use of **18/10 stainless steel** ensures maximum corrosion resistance and rapid sanitization, fundamental requirements for food industry hygiene standards.
