

3-shelf food service trolley h314_64

Professional 18/10 stainless steel service trolley with 3 shelves of 90x52 cm and swiveling wheels. Ideal for intensive catering and food service.

The **h314_64 service trolley** is a professional solution designed to optimize the workflow within restaurants, farmhouses, and catering businesses. The structure is designed to facilitate the transport of dishes, ready meals, and equipment between the kitchen and the dining room, reducing operating times and staff fatigue. Thanks to the use of resistant materials and an ergonomic configuration, it guarantees **stability and maneuverability** even under full load conditions.
