

3-tier solid wood croissant display case h16901

Neutral counter display case for croissants in tempered glass and solid wood, 3 shelves with integrated lighting. Dimensions 575x340x610 mm.

The **h16901 professional neutral display case** is a vertical display solution designed for the enhancement of baked goods, dry pastries, and snacks in HoReCa contexts. The structure combines the aesthetics of **solid wood** with the robustness of **tempered glass** on the sides, top, and shelves, ensuring total product visibility from every angle. The aluminum base ensures stability and resistance to daily wear on the sales counter, while the tilting door facilitates quick service while maintaining the hygiene of the contents.
