

4-hole cone holder display with drawer h412_33

Transparent plexiglass cone holder display with 4 holes for cone positioning and lower drawer for residue collection.
Dimensions: W. 17 x D. 17 x h. 50 cm.

The **4-hole cone holder display with drawer** is made of high-quality **transparent plexiglass**, ideal for ice cream shops and retail points that want to display cones in an orderly and hygienic way.

The design features **4 perfectly shaped holes** to keep the cones stable and in a vertical position, facilitating preparation and service. The display is equipped with a **removable lower drawer** that collects any residues or crumbs, helping to keep the work counter clean.

The **compact dimensions** (W. 17 cm x D. 17 cm x h. 50 cm) allow the display to be positioned in small spaces without sacrificing functionality and cone visibility. The transparency of the plexiglass facilitates quick stock checks.

This display combines **practicality and hygiene**, optimizing the presentation of ice cream cones and improving service

efficiency. **Buy it now** to improve the order and cleanliness of your ice cream counter!

FAQ:

1. **Is the drawer easy to remove?**

Yes, the lower drawer is easily removed for cleaning and emptying.

2. **Can I use the cone holder outdoors?**

Yes, plexiglass is resistant and also suitable for temporary outdoor displays, but it is recommended not to expose it to extreme weather conditions to preserve its durability.

3. **Is the plexiglass resistant?**

Yes, it is made of sturdy and durable plexiglass, suitable for professional use.

4. **How do I clean the cone holder display?**

It is recommended to clean the display with a soft cloth and mild detergents to maintain the transparency of the plexiglass without scratches.

5. **Is the display stable on the counter?**

Yes, the base is designed to ensure stability during daily use.

Mini buying guide:

Choose a **plexiglass cone holder display** with a drawer for a hygienic and orderly solution in your retail point. Make sure the number of holes and dimensions are suitable for your service needs. The presence of a **drawer** helps keep the counter clean and tidy, improving work efficiency. Opt for a compact but functional model, ideal for small spaces. Transparent plexiglass allows you to quickly monitor cone stocks, ensuring an always efficient service.
