

4-seater waiting room bench for offices h933_09

4-seater office waiting bench. Dimensions: W. 200 x D. 61 x h. 85 cm. Chromed steel frame. Plastic seats.

The **4-seater waiting room bench** is designed with a functional and resistant design, perfect for the office environment. The **backrest** is made of **injection-molded polypropylene plastic**, reinforced with 10% fibers for greater strength, and is fully **recyclable**. In addition, it is treated with an **anti-UV coating** that preserves its color and quality over time, even in environments exposed to direct sunlight. The **seat** is also made of **polypropylene plastic** with the same characteristics of reinforcement, recyclability, and anti-UV treatment. The central frame is composed of a **steel bar with a 100x50 mm section and a thickness of 3 mm**, painted with a **black epoxy coating (RAL 9005)**, which guarantees stability and durability over time. The **legs** consist of **chromed steel rods** with a diameter of 11 mm and a thickness between 12 and 15 microns, offering a modern and clean appearance, as well as exceptional resistance. The **feet**, made of **non-slip nylon**, ensure that the bench remains stable on any surface, preventing slipping and protecting the floor.
