

4-shelf buffet display h33924

Buffet display case with 4 removable compartments and front door. Made of transparent plexiglass and dimensions w23xd25xh49 cm

Buffet display ideal for placement on tables in hotel breakfast rooms, farmhouses, and B&Bs. Suitable for holding biscuits, pods, sandwiches and croissants. It features a structure divided into **4 removable compartments** arranged vertically and a **front opening door**; the small door will allow food to be protected from external agents. Made of **transparent plexiglass**, resulting in easy cleaning and greater impact resistance.

Technical features:

- Countertop display case
- 4 removable compartments
- Front door
- Material: transparent plexiglass
- Dimensions: 23 x 25 x H49 cm
- Thickness: 3 mm
