

40-litre recycling bin h8642

Steel waste management bin with coloured lid. Capacity: 40 litres. Without lock. Dimensions: W.380 x D.380 x h.760 mm.

Waste collection bin with an **innovative design** ideal for schools, cinemas, gyms, hotels, meeting rooms and shopping centres. **40-litre** recycling bin made of steel complete with adjustable feet for uneven floors. By placing several bins with different coloured lids side by side, it is possible to create a **recycling station for collecting different types of waste** (e.g. paper, metal, plastic, glass, general waste).

Technical features:

- Material: steel
- Without lock (push/pull opening)
