

40 lt hotel minibar Made in Italy h3407

Vitrifrigo 40 lt built-in minibar, LPC silent absorption system, Made in Italy. Dimensions W39xP46xH54.4 cm. Ideal for hotels.

The **Vitrifrigo 40-liter minibar h3407** represents the excellence of **Made in Italy** in the professional hospitality sector. Designed specifically for the **hotel target** and high-level accommodation facilities, this minibar resolves the critical problem of noise disturbance in guest rooms. Thanks to the integration of an advanced **LPC (Low Power Consumption) electronic system** and a new generation absorption system, the unit guarantees **absolute silence** during operation, drastically improving stay comfort. The structure is optimized for insertion into **built-in furniture**, but its refined aesthetics also allow for freestanding use, offering maximum flexibility to interior designers and hotel managers who need a reliable and discreet refrigerated solution.
