

5-seater bike rack with planters h28740

5-seater bike rack with two circular white travertine-style concrete planters. Steel structure. Dimensions: 2920x410x500h mm. Made in Italy.

5-seater rack equipped with two planters, ideal for placement in apartment courtyards, gardens and parks. In addition to being a highly functional element that allows for bicycle parking, this rack is also an element of urban decor, thanks to the two lateral planters.

The structure is made of two load-bearing round steel tubes with steel tube wheel-holding elements.

The bike rack is anchored to the two planters made of **white travertine-style concrete**.

Technical specifications:

- Dimensions: 2920 x 410 x 500 mm (L x D x h)
- Structure: in round steel tube
- Lateral support: white travertine-style concrete
- Fixing: removable
- Circular planters
- **Italian Product**
