

5-seater nursery school desk h364_81

5-seater feeding table for nursery school h364_81 in birch and beech. Magnolia anti-reflective top, rounded edges and fire-retardant certification. Dimensions: W 140 x D 90 x H 55 cm.

The **5-seater nursery school desk h364_81** is a professional furniture solution designed specifically for feeding time and group activities in educational contexts. The structure is made with a **birch plywood** tabletop 26 mm thick, finished with a magnolia-colored laminate top featuring **anti-reflective and scratch-resistant** properties. This material ensures a hygienic and easily washable surface, essential in school environments. Stability is provided by round legs in **solid beech wood** with a natural varnish finish, fixed using sturdy nylon support plates. To ensure the maximum safety of young users, every corner and edge is carefully rounded, eliminating the risks of trauma from accidental impact. The table also integrates **noise-reducing and non-slip** devices at the base of the legs, ensuring a comfortable and protected environment.
