

525 It HDPE Cargopallet h836_15

525 It HDPE cargo pallet, 1200x800x800 mm. High-strength closed structure for industrial storage and handling of heavy loads. The **HDPE cargo pallet** with a capacity of **525 liters** is designed to meet the storage and handling needs in intensive industrial contexts. Characterized by a **completely closed structure**, this container ensures maximum load stability and protection of the contents from external agents. Made of grey high-density polyethylene (HDPE), it stands out for its high **impact resistance**, resistance to thermal fluctuations, and chemical corrosion, making it a durable asset for warehouse logistics.

Technical features

- **External dimensions:** 1200 x 800 x 800 mm
- **Internal dimensions:** 1120 x 720 x 650 mm
- **Volumetric capacity:** 525 lt
- **Configuration:** Closed version
- **Material:** HDPE (High-density polyethylene)
- **Color:** Grey

Optional

- Coordinated grey lid
