

## 6-slice toaster h220221

Toaster suitable for six slices to be inserted in slots measuring W 145 x D 20 x H 135 mm. Material: stainless steel. Time settable from 1 to 5 min.

The toaster is an indispensable tool for breakfast rooms in hotels, restaurants, B&B's or bars, for preparing slices of toasted bread.

The product is suitable for preparing **six slices** of toast or toasted sandwiches. The **switch** will allow the user to select the quantity of slices to be toasted between 2, 4 or 6 slices.

The slices can be inserted into **slots** measuring **W 145 x D 20 x H 135 mm**.

The **timer** is **adjustable** from 1 to 5 minutes and the **acoustic signal** at the end of the set time makes the product easy and safe to use.

Thanks to the presence of a **control light**, it will be possible to recognize in a simple and intuitive way when the product is in operation.

The toaster is made of **stainless steel** and is easy to clean thanks to the **removable crumb tray**.

The product has a **power** of **2.5 kW** and **dimensions**: W 405 x D 245 x H 225 mm.

### Technical features:
