

60L steel waste bin h215_207

60L 18/10 stainless steel waste bin with pedal lid, ideal for professional kitchens and catering.

The waste bin is a hygienic and practical solution for waste management in high-traffic environments such as pizzerias, canteens and fast-food outlets. The **18/10 stainless steel** structure guarantees resistance to corrosion and ease of cleaning, essential features in catering contexts. The **pedal** opening system allows waste to be disposed of without direct contact with the container, maintaining high hygienic standards.
