

## 7-seat island wardrobe unit for preschool h681\_40

7-compartment island wardrobe unit in FSC wood conglomerate, 115x115x92 cm. Freestanding design with colored doors and accident-prevention edges.

The **island wardrobe unit h681\_40** is a furniture solution specifically designed for organizing spaces in preschools and nurseries. Thanks to its island configuration, it allows simultaneous access for several children, optimizing movement flows within changing rooms and common areas. The structure guarantees maximum hygiene and safety, offering each pupil an individual closed space for their personal belongings.

## Technical characteristics

- **Overall dimensions:** W 115 x D 115 x h 92 cm
- **Capacity:** 7 individual compartments with solid doors
- **Main structure:** FSC certified wood conglomerate panels, class E1 low formaldehyde emission, 20 mm thickness
- **Structural components:** Perimeter plinth, base, vertical dividers, intermediate shelves and top cover
