

7-seater picnic table and seating h463_22

Square outdoor table in steel and HPL, 7 seats with integrated PRM access. Resistant monoblock structure for urban furniture, parks, and schools.

The **H463_22 outdoor table** is a monoblock furnishing system designed to guarantee **inclusivity, comfort, and resistance** in public and collective contexts. Characterized by a compact square design, it integrates **7 total seats** organized to accommodate 6 users on fixed benches and 1 user with reduced mobility (PRM) or a stroller, eliminating architectural barriers in gathering spaces.

The structure is made of **galvanized and anti-UV powder-coated steel** (color RAL 7016 grey), ensuring total protection against corrosion. The top and seats are produced in **solid compact HPL with a teak finish**, a high-performance technical material that effectively resists scratches, humidity, weather, and solar rays, maintaining its aesthetics over time with **minimal maintenance**.

Technical features

- **Seating:** 7 total (6 traditional + 1 dedicated PRM access)
- **Shape:** square
- **Structure:** monoblock in galvanized anti-UV powder-coated steel
- **Structure color:** RAL 7016 grey
