

8-place lacquered metal umbrella stand h413_92

Professional black lacquered metal umbrella stand with 8 dedicated slots, dimensions 60x27x50 cm, ideal for high-traffic entrances.

The **lacquered metal umbrella stand** is a functional solution designed for organizing entrances in professional and commercial contexts. The metal structure guarantees the necessary stability to support full loads, while the lacquered finish protects the material from oxidation resulting from contact with water. Thanks to the subdivision into **8 slots**, it allows for an orderly management of spaces, avoiding the messy accumulation of umbrellas in transit areas.
