

8-seater rectangular picnic table and benches h463_20

Monobloc picnic table in steel and teak-effect HPL, 200x156 cm. Accommodates 8 people with an inclusive design for wheelchair accessibility.

The **H463_20 rectangular picnic table** represents an excellent urban furniture solution, designed to combine **social interaction, resistance, and inclusivity**. Ideal for public parks, school areas, and corporate relaxation zones, this system with integrated seating accommodates up to **8 users**, ensuring a safe and comfortable space. The structure has been specifically designed to break down architectural barriers: the ample space under the top allows easy access for **persons with reduced mobility (PRM)** and the accommodation of strollers, making it an indispensable element for modern urban redevelopment projects.

Technical features

- **Structure:** monobloc in anti-corrosion treated and anti-UV powder-coated steel.
- **Frame color:** Anthracite grey RAL 7016.
- **Top and seats:** full-thickness compact HPL with teak-effect finish, resistant to scratches and wear.
- **Capacity:** 8 total seats.
- **Overall dimensions:** L 2000 x W 1560 x H 775 mm.
- **Ergonomic seat height:** 475 mm.
- **Installation:** ground fixing via 4 anchoring points with bolts.
- **Inclusivity:** design optimized for the accessibility of wheelchair users.
- **Maintenance:** minimal, surface suitable for quick cleaning with a damp cloth.
- **Warranty:** 2 years for manufacturing defects.
