

8-slot stainless steel umbrella stand h41362

Professional 8-slot umbrella stand in satin stainless steel (60x27x50 cm) with integrated drip tray for HoReCa and office environments.

This **professional umbrella stand** has been designed to meet the requirements for order and cleanliness in high-traffic environments. Characterized by an essential and rigorous design, this accessory integrates perfectly into reception halls, offices, and public spaces. The **satin stainless steel structure** not only provides a modern and discreet aesthetic, but also ensures high resistance to oxidation caused by prolonged contact with moisture. The presence of the **internal water collection tray** protects walking surfaces, preventing stagnation and potential slipping risks.
