

80-liter tray-emptying waste bin h2200111

Self-service tray-emptying waste bin in plastic-coated galvanized sheet metal, tilting flap, 80 liters, 60x60x120 cm, walnut/wengè finishes.

Tray-emptying waste bin specifically designed for collective catering environments, canteens, and catering services. It facilitates the quick and hygienic disposal of tableware and food residues directly by the dining room staff, reducing movement and optimizing work times in self-service settings.

Technical features

- Structure in anti-corrosion **plastic-coated galvanized sheet metal**
- **Tilting flap** for easy tray emptying
- Upper shelf with **tray-stop splashback on 3 sides**, for stable placement
- Lower bag-holder door with **key lock**
- **Adjustable nylon feet** for adaptation to irregular floors
- Capacity: **80 liters**
- Dimensions: W.60 × D.60 × h.120 cm
- Weight: approximately 42 kg
- Available colors: **walnut** or **wengè**
