

90° corner pouf for nursery h681_47

90° corner pouf h681_47 in fireproof eco-leather, soft and safe, ideal for children from 3 to 6 years old. Dimensions: W 60 x D 60 x h 32 cm.

The **h681_47 corner pouf** was designed to create comfortable and versatile corners in spaces dedicated to children, such as nurseries and kindergartens. Thanks to its **90° corner shape**, it is perfect for completing relaxation areas, reading spaces, or play areas where children can sit comfortably and interact with each other. Made with **safe and resistant materials**, this pouf offers both comfort and practicality, resulting resistant to daily use.

The **internal padding** is made of **open-cell polyurethane foam** with a density of 25 kg/mc, a solution that guarantees a soft but stable seat, suitable for supporting children during school activities. The **external covering** is made of **phthalate-free eco-leather** (composition PVC 88% PES 12%), fireproof class 1IM and treated to be **stain-resistant, antibacterial, and antifungal**. These treatments ensure hygiene and safety, while the soft and elastic finish makes the pouf pleasant to the touch.

The pouf cover is **removable** via a **matching zipper**, which includes a slider protected by a hidden pocket, ensuring maximum safety for children. The structure of the pouf is finished with **internal stitching** and a visible topstitch, which defines its shape and increases its durability over time.

Complete your kindergarten or nursery spaces with the **h681_47 corner pouf**, perfect for creating safe and welcoming relaxation corners. Combine it with other elements to compose a comfortable and child-friendly play area!

FAQ:

- 1. Is the corner pouf suitable for group activities?**
Yes, the corner shape allows creating relaxation corners where children can interact and share activities.
- 2. Is it possible to clean the covering easily?**
Certainly, the eco-leather covering is stain-resistant and can be cleaned with a damp cloth. For tougher stains, specific products for eco-leather can be used.
- 3. Is the pouf suitable for being moved frequently?**
Yes, the pouf is lightweight and easy to move, adapting to different configurations within the educational space.

4. Is the product safe for children?

Yes, it is designed to ensure maximum safety, with fireproof, antibacterial, and phthalate-free materials, as well as safe stitching and zippers.

5. How can I integrate it into the school furniture?

Thanks to its corner shape, it can be combined with other poufs or furniture, creating harmonious and welcoming environments.
