

Adjustable kindergarten table h872_12

Table for children aged 2-6 in writable white melamine, adjustable height 460-580 mm with apple green PVC safety edges. The **adjustable table for writing and drawing** is a professional furniture solution designed to stimulate pedagogical activity and creativity in early childhood educational contexts. The distinctive feature is the **white melamine top**, which serves as a horizontal whiteboard where children can work directly with dry-erase markers. The structure is designed to accompany the user's physical development, ensuring constant ergonomic support thanks to the micrometric adjustment system.

Technical features

- **Worktop:** 18 mm thick chipboard with a writable white melamine surface.
- **Operational functionality:** Surface suitable for the use of dry-erase markers for drawing and writing.
- **Perimeter edges:** Injected apple green PVC with a rounded safety profile.
- **Support structure:** High-resistance apple green polypropylene legs.
- **Height adjustment:** Range from 460 mm to 580 mm for ergonomic adaptation.
- **Leveling system:** Adjustable jacks at the base up to 30 mm to compensate for floor irregularities.
- **Regulatory compliance:** Compliant with the UNE-EN 1729-1 standard for school furniture.
- **User target:** Children aged between 2 and 6 years (height from 93 to 142 cm).
- **Maintenance:** Quick cleaning by dry-wiping the surface.
