

Adjustable meeting whiteboard h738_106

Meeting whiteboard with aluminum tripod structure. Height adjustable up to 190 cm.

The office whiteboard represents a high-quality element that makes common areas functional and elegant. The product serves as both a whiteboard thanks to its **magnetic and writable lacquered steel surface**, and as a flipchart holder. **The aluminum tripod structure** ensures stability and the correct inclination. The **height is adjustable** up to 190 cm. Separately, it is possible to purchase the paper pad and the cleaning kit with eraser, markers, and magnets.

Technical features:

- Silver anodized aluminum structure
- White lacquered steel surface
- Magnetic and writable
- Single-sided
- Height adjustable up to 190 cm
- Visible area: 655 x 950 cm
- Dimensions: 74 x 80 x H.190 cm

Optional:

- Paper pad
