

Advertising flag with ballastable base h738_168

Single-sided flag with printing included and 14 lt ballastable base. Flag dimensions: 90 x 334.9. Total height: H 390 cm.

The **H738_168 rectangular advertising flag** is designed to ensure **maximum stability and visibility** even in outdoor contexts exposed to wind and weather. Thanks to the **14-liter ballastable base** in **anthracite** color, this flag is perfect for safe outdoor installation, without compromising on resistance and reliability.

The structure is made of **flexible fiberglass**, a resistant and lightweight material, with a **professional black finish**. The fabric is made of **100% nautical polyester (100 gr)**, printed with **single-sided sublimation technology**, which ensures high-definition, long-lasting, and brilliant visual yield.

With a total height of **390 cm** and a flag fabric with dimensions of **90 x 334.9 cm**, the H738_168 flag offers a significant visual impact, ideal for **outdoor events, corporate entrances, trade fairs, outdoor showrooms, and promotional areas**. The **printing is included in the order**: the customer simply needs to provide the high-resolution graphics to start production.

The lifespan of the fabric, in case of continuous outdoor exposure (24/7), is estimated at around **90 days**, but in more protected conditions or with non-continuous use, it can exceed **12 months**, maintaining colors and fabric in excellent condition.
