

## AISI 304 stainless steel bin with lid and pedal 80 lt h111\_84

AISI 304 stainless steel bin, 80 lt, pedal opening, anti-cut edging. For professional kitchens.

Professional bin designed for high-volume waste environments, such as restaurant, bar, and hotel kitchens. Made of **AISI 304 stainless steel**, it guarantees resistance to corrosion and ease of sanitization. The **top lid with pedal opening** allows for maintaining hygiene without manual contact, reducing the risk of contamination. The **anti-cut rubber bumper edging** protects the operator from sharp corners and edges during loading and emptying operations.

## Technical features

- Material: **AISI 304 stainless steel**
- Capacity: **80 litres**
- Dimensions: **Ø 42 cm x h. 70 cm**
- Top lid with **pedal opening**
- **Anti-cut rubber bumper** edging
- Production: **Made in Italy**
