

AISI 304 stainless steel waste bin with lid on wheels 80 lt h111_85

Professional AISI 304 stainless steel waste bin, 80 lt, pedal opening, swivel wheels and bumper edging. Made in Italy.

Professional waste bin designed for kitchen and catering environments (restaurants, hotels, canteens). Made of **AISI 304 stainless steel**, it guarantees high hygiene, durability over time, and resistance to corrosion. The **anti-cut rubber bumper edging** protects against accidental damage during daily operations and transport. The **lid with pedal opening** allows for practical and hygienic use, limiting direct manual contact. The **swivel wheels** in nylon on a stainless steel support make it easy to move between workstations.
