

Anti-vandal table with 8 seats h679_52

Anti-vandal table h679_52 with 8 integrated seats in satin AISI 304 stainless steel. Dimensions: 240 x 80 x H 75 cm. AISI 316 available on request.

The **Anti-vandal table with 8 seats h679_52** is high-resistance monoblock furniture designed for collective dining and resting in environments with a high risk of mechanical stress or tampering. This monoblock unit meets the operational need for a fixed workstation, without detachable elements, to prevent damage and ensure the safety of users and the security of the facility. Ideal for managers of detention facilities, reception centers, stations, public parks, and high-traffic contexts, the table is entirely made of AISI 304 stainless steel with a satin finish, a material that guarantees hygiene and robustness. The entire structure has overall dimensions of 2400 mm in length, 800 mm in width, and 750 mm in height, accommodating 8 integrated seats.
