

Hotel wall-mounted hair dryer h21802

Professional 1800W wall-mounted hair dryer in ABS and chrome-plated steel. Equipped with 2 speeds, 2 temperatures and a pressure safety button.

The **h21802 professional hair dryer** is a high-end solution designed for contexts requiring high performance and refined aesthetics, such as **resorts, wellness centers and luxury hotels**. Characterized by an elegant design combining **ABS and chrome-plated steel**, this model offers adjustable power up to 1800 W, effectively solving the need for fast drying in professional settings. The **wall-mounting system** with included support ensures order and safety, while operation via a **pressure button** ensures the appliance remains active only during actual use, preventing overheating or energy waste.
