

Ashtray for public spaces h41345

Outdoor ashtray with tray and sieve grid. Available in different finishes and material. **Dimensions: Ø30 x h80 cm.**

The ashtray is a necessary item to keep public spaces or the outdoor environments of private structures clean.

The product is therefore ideal for being placed in parks, **outdoor** condominium areas, verandas and terraces of hotels, restaurants and bars, to **solve the problem** of collecting **cigarette** butts.

The **ashtray** is equipped with a **tray** and **sieve grid** to collect the butts and ash generated by the cigarette.

The product, with its elegant and minimal line, will contribute to embellishing the environment in which it is placed.

Available in **different materials** and **finishes** to meet **various furnishing needs**.
