

Ashtray for public spaces h86_86

Outdoor pedestal ashtray. Available in various colors. Dimensions: W25 x D10 x H96 cm

Floor-standing ashtray for urban furniture, to be installed in public parks, on sidewalks or at building entrances, to allow smokers to dispose of cigarette waste, keeping the environment clean. Made of **UV-resistant powder-coated steel** and subjected to **anti-corrosion treatment**, providing resistance and durability to the material. Equipped with a **3-liter container** that can be easily emptied via a release system located at the back. On the front, provided as standard, there is an **illustrative cigarette-shaped label**. **Ground fixing** is achieved using the three holes on the base plate.

Technical features:

- Dimensions: W25 x D10 x H96 cm
- Material: UV-resistant powder-coated and anti-corrosive steel
- Fixing: ground-mounted
- Capacity: 3 lt
- Removable container
- Illustrative label included
- Available in different colors
