

Ashtray for street furniture in white concrete. h319_87

Outdoor ashtray made of resistant concrete. Dimensions: Ø 500 x H. 910mm

The outdoor cigarette snuffer is an essential element for the **cleanliness and beauty of all cities that appear cleaner and more orderly**. The ashtray is therefore ideal for furnishing public places with a high flow of people such as **Stations, Airports but also elegant for Squares and Gardens** or at the entrance of **Hotels, Lodges and accommodation facilities**. This outdoor cigarette snuffer is made of resistant concrete and has a structure with sanded and beveled edges. The product is also equipped with a **perforated galvanized steel grille**, painted with thermosetting powders for outdoor use and has a copper-colored aluminum band for decoration.
