Ashtray for urban furniture in sheet metal h28723

Outdoor ashtray with attachment to existing pole or wall. Support in **shaped sheet metal** with laser technology. Color: anthracite grey. **Made in Italy.**

Outdoor ashtray ideal for placement in historic centers, squares, and urban areas. Elegant structure equipped with a support shelf made of **shaped sheet metal with laser technology** equipped with clips for anchoring to an existing pole or wall. The ashtray is made using a **pressed sheet metal disc th. 30/10** painted using electrostatic guns that cover the pieces with powder paint in a flourey state. Subsequently, the product is subjected to polymerization in an oven, a process that allows the powder to solidify by baking at a **temperature of 180/200°C** in a hot air circulation oven.

Technical features:

- Material: sheet metal
- Color: anthracite grey
- Galvanized hardware and bolts according to UNI 3740 standard
- Anchoring: prepared for pole or wall attachment
- Dimensions: W.30 x D.35 x h.20 cm
- Made in Italy

The h28723 ashtray is also available on the MEPA portal. Find out how to find our company on the [Public Administration portal](#).
