

Urban furniture notice board in galvanized steel h140204

Notice board for advertising posters. Dimensions: L.cm. 189 x H.cm. 263. Useful posting space: width 150 x h. 105 cm

The notice board, suitable for all urban environments, has a dual function, both for display and advertising. Made in Italy product, it is available in various colors such as, for example, gunmetal, iron grey, brilliant aluminum, etc., as shown in the attached image. It is possible to insert a **removable sign** at the top, to apply any **Municipality name, logo, or other indications at the customer's request**.

Structure:

Notice board:

- made of galvanized steel box section 15/10 thickness complete with a drip edge at the top;
- openable front door made of openable galvanized steel profiles and equipped with a key lock;
- reading side made of compact transparent, unbreakable polycarbonate, UV-protected and particularly suitable for outdoor use, 3 mm thickness;
- removable sign, at the top, to apply the possible Municipality name;
- posting via magnets.

Support posts:

- made of 89X2 mm round galvanized steel tube adorned at the top with decorative friezes;
- no. 02 decorative flanges covering the holes drilled for ground fixing.

Fixing:

- by extending the support posts into the ground;
- the notice board is supplied with an assembly kit and stainless steel hardware.

Upon request, it is possible to insert a high-resistance printed PVC sticker indicating the Municipality name, logo, or any other indications at the customer's request.
