

Bear-shaped playground slide h575_08

Playground and playroom slide for children from 2 to 8 years old. Overall dimensions: L260 x D46 x H150 cm

Bear-shaped children's slide, ideal for enriching public parks or gardens. The silhouettes, steps, platform, and side elements are made of **birch plywood** while the slide platform is in **stainless steel**. The product has been specially designed for use by children; in fact, to ensure **total safety**, all edges and corners are rounded and made non-sharp, and additionally, all screws are covered with plastic caps. The material is subjected to special treatments to make it **suitable for outdoor use** and therefore **resistant to weather variations**.

Technical features:

- Overall dimensions: L260 x D46 x H150 cm
- Safety area: 460 x 246 cm
- Max fall height: 80 cm
- Age of use: 2-8 years
